

APPLICATION FOR TUITION AID

Veritas Christian School, desiring to make Christian education affordable for all families who seek it, has set up a Financial Aid Fund that is made available to those families of proven need. This fund is based solely on donations and is thus available only as donations are received.

An underlying assumption of financial aid is that parents have the moral obligation to finance their children's education to the extent that they are able. All families receiving financial aid are expected to contribute as they are able toward their child's education, either through work or partial payments.

As you fill out this application, it is important to provide all the information requested so that unnecessary delays in processing may be avoided. In order for the Tuition Aid Committee to appraise your need for aid, dollar amounts must be provided for all taxable and nontaxable income for the previous tax year. **A copy of your 1040 tax report for the previous tax year must be included before any tuition aid will be considered.** Please outline all income sources and expenditures on the inside of this form, noting emergencies or special problems, which make tuition aid necessary.

This information is confidential and will be shared only with the Financial Aid Committee as they consider this tuition aid request. It is understood that in keeping with proper business procedures the committee may obtain a current copy of local credit standing.

As you complete this application, please remember to do the following:

1. Answer all questions completely. Incomplete applications cannot be processed and will delay action by the Financial Committee.
2. Enter all amounts in dollars; omit cents. Do not leave any boxes blank. Enter a zero (0) if no other entry is appropriate.
3. If the parents are separated or divorced, this application should be completed by the student's custodial parent and custodial parent's present spouse. The non-custodial parent may also be required to complete a separate application in some cases. If someone other than the parent is financially responsible for the student, that person should complete this form and explain his or her relationship with the student.
4. Return this application, along with a copy of your **latest W-2** form (or equivalent form), as well as your **1040 tax report** to:

Veritas Christian School
256 N. Michigan
Lawrence, KS 66044
